Dear Clubs,

I am writing to you on behalf of the Irish Kidney Association to thank you all for your donation of €9,091.00. We are deeply moved and wish to express how much we appreciate your support during this time. As a non-profit charity organisation, we are eternally grateful for every donation we receive.

Your donation helps those kidney patients most in need to access services they otherwise, may not be able to acquire such as counselling, access to a patient support centre, a sports programme, financial aid and patient holidays. This work would not be possible without the support of individuals such as yourselves.

As one patient put it, *“The IKA provides emotional support. There is always a happy, friendly person on the line to help you with any query.”*

Thank you again for your support!

Kindest regards,

The Irish Kidney Association
