Future correspondence and communications from our Club

As discussed during the June 2018 meeting, a majority of members were happy to receive future communications from the Club via E-Mail.

Currently we use TXT messages, links on our website and posted letters for communications. In order to save on rising postage costs we are setting up a group mailing system where members who opt in will no longer receive posted communications but will receive an E Mail.

To OPT IN please send an email confirming your agreement to Dominic at

newsletternevcc@gmail.com

TXT messages and links on the website will remain unchanged.

There was a good turnout from club members for the picnic on the pier in Annagassan & the Terenure Show

Michael Loughrin & Dominic McEvoy are organising a club friendly run on Friday 20th July Departing from "The Sportsmans" at 6.30pm. Details to follow
